

## ◎ Individual Collection for Garbage and Recycling Waste

If you are an elderly person or a person with disabilities and therefore unable to put out your garbage to a designated collection station, Kobayashi city offers door-to-door collection. People who are eligible for this service must fulfill the following conditions

- Have a disability that makes them unable to take their garbage to the designated collection site
- Live alone and have no relatives near Kobayashi

If you would like to know more about the *Fureai* Collection Program or have any questions, please contact the waste treatment plant (24-0959).

## ◎ Individual Collection for Oversized Waste

The same door-to-door garbage collection exists for large items. You must fulfill the following conditions

- Live alone and have no relatives near Kobayashi
- Be a senior citizen living alone

### ◇ How to apply ◇

- ① Apply by calling the waste disposal plant
- ② A city staff will visit your house and will have you fill out an application form
- ③ The city staff will take your oversized garbage and weigh it at the waste disposal plant (paid oversized garbage will be weighed separately)
- ④ If the oversized garbage required a fee, the city staff will visit your house once more and have you pay the fee.

The following behaviors are prohibited by law or municipal ordinance

Throwing or incinerating garbage in public places or mountains

Putting out garbage at any other place than the garbage station

**Illegal garbage disposal or burning garbage will be punished by  
5 years in prison or a 10 million yen fine or both**

**If a corporation commits these illegal acts, the fine might go up to 300 million**

## ● Burning garbage is allowed in the following cases

Bonfires, campfires and open fire for branches, plants and vines (in the agriculture and forestry industry)

※Please be careful and respect both your neighbors and the environment.

Illegal disposal and incineration of garbage is in violation of the law
